

Notice about foreign currency

All payments will be effected in Croatian currency. The amount your debit/credit card account will be charged for is obtained through the conversion of the price in Euro into Croatian kuna according to the current exchange rate of the Croatian National bank.

When charging your debit/credit card, the same amount is converted into your local currency according to the exchange rate of debit/credit card associations. As a result of this conversion there is a possibility of a slight difference from the original price stated in our web site.
